Team –

First I wanted to give you a copy of the solicitation letter and email that went out yesterday. You'll see the decisions we made on the final package in there. Thanks for all your input/ help.

Also, staffers for the Tribe are working with Wenona Wilson now, and it's very likely we'll (Ed, Peter, Clarke, and me) do an in-person Consultation with multiple members of Tribal Council next Wednesday afternoon. We're still planning on signing the 1431 on Thursday after hearing what the Tribe has to say.

To that end, I've attached our current version of 1431. **Ex. 6 Personal Privacy (PP)**
Ex. 6 Personal Privacy (PP) If anyone from OECA
could give me a review **Ex. 5 AC/DP**
Ex. 5 AC/DP I would very much appreciate it **Ex. 6 Personal Privacy (PP)**
Ex. 6 Personal Privacy (PP) This would allow for likely routing early Tuesday and give us the best chance of getting this signed Thursday, since we'll be on travel to Warm Springs Tuesday/ Wednesday.

Dear Chairman Tsumpti –

Thank you for calling me earlier today and leaving a message. Unfortunately, you were unavailable when I returned your call and I received a message that your voicemail box had not been set up yet, so I was unable to leave a message. Please find attached to this email a letter signed by me that you and other members of the Warm Springs Tribal Council should receive in hard copy by tomorrow. This letter explains the actions EPA plans to take to address the safety of drinking water served by the Warm Springs Public Water System. Given the threat to public health, our communication and opportunity to consult related to these actions is occurring under an expedited timeframe. To that end, I hope to talk to you as soon as possible by phone, leader to leader, to provide you with some background and talk about next steps for both of our organizations.

Our Senior Tribal Policy Advisor, Wenona Wilson, was able to speak to Caroline Cruz, who was acting for Alyssa Macy, earlier this morning to at least provide her some background and additional information regarding these proposed actions.

I wish we could have met in-person before these events, but I look forward to working with you in whatever way circumstances allow to address these issues.

Sincerely,

Edward J. Kowalski
